Notwithstanding anything contained herein to the contrary, it is specifically agreed and understood that the warranties, guarantees, and agreements of Vendor set forth in this Clause 3 shall expire eighteen (18) months after the goods and/or services are put into commercial operation or twenty four (24) months after delivery, whichever occurs first.

In the event that any Deliverable supplied by the Vendor fail to meet above stated warranties and guarantees, Vendor will, at MAN's discretion, and at Vendor's sole cost and expense , either repair or replace same or the applicable parts or components thereof. Vendor will be given access to the job site for the purpose of making repairs or replacements. In the event that the Vendor requests MAN to return the materials and equipment (or any parts or components thereof) to Vendor, MAN will do so in conformance with Vendor's instructions and at Vendor's sole cost and expense. No deviation from the item description, specifications, quantity or any other requirements contained in the Purchase Order shall be made without the prior written consent of MAN.

MAN may at any time by written order only make changes to this Purchase Order. If such changes

cause any variation in price or time required Vendor's performance or any other obligation, Vendor shall notify MAN within five (5) business days after receiving such notice of variation from MAN, failing which it shall be deemed that no such variations will be claimed by the Vendor.

If any such variation will cause a variation in the Price or Delivery Date or other obligations and Vendor has notified MAN of such impact as required, Vendor shall not proceed with any such variation until written acceptance and duly signed Purchase Order amendment is received from MAN confirming the adjustment in the Price and/or time for performance and/or any other obligations of the Vendor.

If the Vendor gives notice of a variation in Price or Delivery Date or other obligations, MAN shall be entitled to confirm or withdraw the variation to the Order.

Except as otherwise expressly provided in the Purchase Order, all payments are contingent on final acceptance of the Deliverables by MAN. Drafts on MAN will not be honored by MAN unless otherwise agreed by MAN in writing. Payment terms shall be Net 60 days.

If required by MAN prior to final payment under the Purchase Order, Vendor will furnish to MAN a release discharging MAN from any liabilities, obligations, and claims arising under the Purchase Order. Vendor shall issue separate invoices for each shipment against the Purchase Order, and each such invoice shall show the amount of Deliverables shipped.

MAN's Purchase Order number and part number shall appear on all invoices, packages, crates, boxes, bills of lading, express receipts, correspondence and other instruments issued in connection with the Purchase Order. Any financial and/or insurance institution is subject for final approval by MAN.

- a. The first (advance payment) guarantee shall be submitted by the Vendor with the Vendor's first invoice and shall be for an amount equal to the value of the first invoice and have validity up to the confirmed date of the completion of services and/or delivery plus ninety (90) days.
- b. The second (performance) guarantee shall be submitted by the Vendor with the first invoice and shall be for an amount of 10% (ten per cent) of the Purchase Order value and have validity from provisional date of SAT (Site Acceptance Test) plus ninety (90) days.

Partial withdrawals must be permitted.

10. SUSPENSION OF PERFORMANCE

MAN may, by written notice to Vendor, suspend further performance of all or any portion of this Purchase Order. The suspension notice shall specify the commencement date and estimated duration of the suspension.

Upon receiving a suspension notice, Vendor shall immediately suspend performance of the specified portion of the Purchase Order, and during the suspension period shall properly care for and protect all work in progress and materials, supplies, and equipment Vendor has on hand for performance of the Purchase Order.

Vendor shall use its best efforts to utilize its material, labor and equipment in such a manner as to mitigate costs associated with suspension.

MAN may at any time withdraw the suspension as to all or part of the suspended performance by written notice to Vendor specifying the effective date and scope of the withdrawal, and Vendor shall, on the specified date of withdrawal, resume diligent performance of the work for which the suspension is withdrawn.

If Vendor believes that any such suspension or withdrawal of suspension justifies modification of the Purchase Order amount or time for performance, substantiated by documentation satisfactory to and verified by MAN, Vendor shall notify MAN within three (3) working days or earlier if reasonably possible. In such case, MAN shall be entitled to confirm or withdraw the suspension. In case of confirmation from MAN the Purchase Order amount or delivery date shall be modified based on mutual agreement between the parties.

MAN will pay and Vendor will accept as final payment the total amount of Purchase Order prorated to the portion of the entire scope of Purchase Order satisfactorily performed to the date of cancellation (substantiated by documentation and verified by MAN), disposition of work and material on hand, and amounts previously paid by MAN. Vendor shall not be entitled to any loss of prospective profits, contribution to overhead or incidental, consequential or other damages due to such cancellation.

This provision does not apply when MAN is rejecting the Deliverables, revoking acceptance or asserting its legal rights for breach order fault.

12. TIME IS IMPORTANT

Vendor acknowledges that MAN needs to receive the Deliverables in its entirety, and work fully completed and delivered by the date(s) specified on this Purchase Order, and will do its utmost to do so.

13. TERMINATION FOR DEFAULT

In the event that Vendor is in material default of any provision or requirement of this Purchase Order, or Vendor shall be sequestrated or liquidated as insolvent or placed under judicial management, whether provisionally or finally, or shall commit any act of insolvency or shall make, or prepare to make an arrangement or composition with, or assignment in favour of creditors, MAN shall have the right, by written notice, to cancel the order, in whole or in part, without prejudice to any of its other rights.

In the event of such termination, MAN may complete this Purchase Order by such means as MAN selects, and Vendor shall pay MAN for any additional costs incurred by MAN in completing the Purchase Order. Vendor shall not be entitled to receive any further payment until the Purchase Order is completed. If the unpaid balance of the Purchase Order exceeds the cost (including compensation for additional engineering, managerial and administrative services expended by MAN) such excess shall be paid to Vendor.

If this Purchase Order is terminated as provided in this Clause, MAN, in addition to any other rights provided herein, may require Vendor to transfer title and deliver to MAN in the manner and to the extent directed by MAN (1) any completed Deliverables, and (2) such partially completed Deliverables and materials, parts, tools, dies, jigs, fixtures, plans, drawing information and contract rights as Vendor has specifically produced or specifically acquired for the performance of such part of this Purchase Order as has been terminated, and the Vendor shall upon direction of MAN, protect and preserve property in possession of the Vendor in which MAN has an interest.

After notice of termination of this Order under the provisions of this Clause, if it is determined for any reason that Vendor was not in default under the provisions of this Clause, or that the default was

excusable under the provisions of this Clause, the rights and obligations of the parties shall be determined as if the notice of termination had not been issued pursuant to this Clause.

14. RIGHTS WITH RESPECT TO ENGINEERING DATA

All design/engineering data furnished to Vendor by MAN shall be the sole property of MAN. All plans, including working plans (including reproducible) and other specified design/engineering data, produced by the Vendor in the performance of this Purchase Order, shall be the sole property of MAN and MAN shall have the full right to use same in such manner as they may deem proper, including without limitation to the generality of the foregoing, the right to make reproducible copies, and right to publish, or to withhold from publication, and the right to alter therein, additions thereto, or other changes.

At the sole discretion of MAN, Vendor may be permitted to retain copies or duplicates of such plans, working plans and data thereof for its own office records. Vendor shall have no right to sell or transfer such plans, working plans and data to any other person.

15. INSPECTION AND REJECTION

All Deliverables shall be subject to inspection, testing, expediting, and witnessing by MAN and/or its representatives upon five (5) business days written notice to Vendor, to assess work quality, conformance with specifications, and conformance with all of Vendor's representations, warranties and covenants herein. The Vendor shall provide MAN with copies of all documents required for efficient expediting, including non-priced purchase orders if required and shall provide MAN's representative free access to relevant shop drawings.

No such verification shall relieve Vendor of its obligations and warranties hereunder. If any Deliverables or parts thereof are found at any time to be defective in material or workmanship or otherwise not in conformity with the requirements set out herein, in addition to any other rights which it may have under applicable warranties, or under law, MAN shall have the right to reject and return such Deliverables for either full credit or a refund (at MAN's discretion) at Vendor's expense including payment of shipping charges incurred by MAN.

Without limiting the foregoing, MAN shall also have the right to require that Vendor promptly and at its own expense repair, replace or restore any defective or deficient portion of Deliverables. Neither the failure of MAN to inspect, nor acceptance of, nor payment for any Deliverables shall prejudice MAN's rights under this paragraph. Vendor's records relating to the manufacture or provision of Deliverables shall be maintained for a minimum of six (6) years following delivery unless otherwise agreed in writing by MAN.

16. CONFIDENTIALITY AND USE OF INFORMATION

Unless otherwise expressly stated in writing, all information including general business information, financial data, technical data, reports, photographs, electronic files, specifications, software, drawings, tools, dies, patterns, plans methods or other intellectual property (Information), supplied, conceived or prepared by Vendor or by MAN or both in connection with the Purchase Order, shall be the property of MAN, shall be considered confidential, shall not, at any time, be disclosed to a third party by the Vendor or MAN without written consent of the other party (unless such information was already obtained by the disclosing party from the open sources) and shall be used solely for the purpose of supplying Deliverables. Upon termination of the Purchase Order, MAN may request Vendor to deliver all the Information to MAN and such Information shall not be utilized, directly or indirectly, by Vendor for the use or benefit of Vendor or any other person.

17. PATENT INFRINGEMENT

Vendor shall be responsible for any liability with respect to any and all claims against MAN for infringement of patents or of patent rights involving the Deliverables and Vendor shall defend and save harmless and indemnify MAN against all such claims and costs, expenses, charges and damages which MAN may be obligated to pay by reason thereof, including expenses of litigation, if any, provided that upon any such claim being made MAN shall be notified promptly of such claim and also of any suit in connection therewith and shall be given an opportunity to defend the same and provided further that Vendor shall make payment on account of any such claims unless either with the consent of MAN or pursuant to the degree of a proper court or tribunal.

18. DELIVERY DATE

Vendor shall deliver the Deliverables covered by this Purchase Order no later than the date or dates specified in the Purchase Order as "Delivery Date". Unless otherwise expressly provided, the delivery date as shown on the face of the Purchase Order shall be construed as date of arrival at the destination specified in this Purchase Order. Vendor shall commence and prosecute the contract work, including furnishing of drawings, with due diligence and dispatch and make deliveries as specified.

If Vendor encounters or anticipates difficulty in meeting the Purchase Order delivery schedule, Vendor shall immediately notify MAN in writing giving pertinent details; provided, however, that this data shall be informational only in character and shall not be construed as a waiver by MAN of any delivery schedule or date of any rights or remedies provided by law or by this Purchase Order.

If Vendor fails to meet the delivery schedule required by this Purchase Order with the result that MAN elects to call upon the Vendor for expedited shipments, without diminution of MAN's other remedies at law and under this Purchase Order, Vendor shall pay the difference between the method of shipping specified in the Purchase Order and premium transportation rates. Deliverables fabricated or performed beyond MAN's written releases shall be at Vendor's risk. MAN reserves the right, without loss of discount privileges, to pay invoices covering supplies shipped in advance of the schedule on the normal maturity after the date specified for delivery.

If any delivery is made which is not in all respects in accordance with the provisions of the Purchase Order (including time of delivery), MAN reserves the right to reject such delivery and, in addition, if MAN so elects, MAN may treat this Purchase Order as repudiated by Vendor and cancel any outstanding deliveries hereunder, without prejudice to MAN's rights to claim damages or to enforce any other remedy provided by law. All expenses and storage, if any, resulting therefrom shall be for Vendor's account.

19. POINT OF DELIVERY - RISK OF LOSS

Notwithstanding any other provision to the contrary Vendor shall bear the risk of loss until the Deliverables have been delivered to such destination as may be specified elsewhere in this Purchase Order.

20. LIENS AND TITLE

Title to the Deliverables, free and clear of any and all liens and encumbrances, shall pass to MAN from the Vendor at the point of delivery specified by this Purchase Order. Passage of title to the Deliverables (or any part thereof) shall not in any way relieve Vendor of its obligations under this Purchase Order, nor be treated as a waiver by MAN of the right later to reject any part of the Deliverables which fail to meet any requirements.

Vendor shall assume and pay for any loss or damage to the Deliverables until delivery at the delivery point specified by the Purchase Order, or until title otherwise passes from Vendor to MAN, whichever occurs later. If any lien or encumbrance is asserted against the Deliverables or any part thereof, MAN shall have the right to discharge the same, by (1) filing a bond or other security or (2) in its discretion, paying full amount thereof. If MAN should so discharge any such lien or encumbrance, Vendor shall bear the cost, if MAN has not yet paid the Purchase Order price, MAN may deduct the amount of such cost from the Purchase Order price, if MAN has paid the Purchase Order price, Vendor shall promptly pay the MAN the amount of such cost.

21. NOTICES

Notices given under this Purchase Order will be effective upon receipt of notice.

22. NON-WAIVER OF REMEDIES

Failure or delay by either party in enforcing any right or provision hereof shall not be deemed a waiver of such provision or right. A determination that any provision herein may be unenforceable or invalid shall not affect the enforceability or validity of the remaining provisions hereof.

23. INDEMNITY

VENDOR AGREES TO DISCHARGE AND HOLD HARMLESS, DEFEND AND INDEMNIFY MAN, ITS AFFILIATES AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONSULTANTS AND SUBCONTRACTORS FROM AND AGAINST ALL LIENS, CLAIMS, DAMAGES, SUITS (INCLUDING WITHOUT ANY LIMITATION THE LEGAL FEES AND OTHER EXPENSES INCIDENT THERETO), JUDGMENTS, AWARDS AND LIABILITY, WHETHER GROUNDLESS OR NOT, THAT ARISE OUT OF OR RELATE TO THE PURCHASE ORDER OR THE GOODS AND SERVICES PROVIDED UNDER THE PURCHASE ORDER (COLLECTIVELY, "CLAIMS"), INCLUDING, BUT NOT LIMITED TO, CLAIMS: (A) BY SUBCONTRACTORS, MATERIALMEN, SUPPLIERS, LABORERS AND OTHERS RELATING TO THE PAYMENT FOR THE DELIVERABLES ("PAYMENTS"); (B) BY AN INDIVIDUAL OR ENTITY ON ACCOUNT OF ANY DAMAGE TO PROPERTY OR INJURY (INCLUDING DEATH) TO PERSONS (INCLUDING ANY DAMAGE OR INJURY TO THE PROPERTY OR PERSON OF ANY EMPLOYEE OF VENDOR); OR (C) FOR BREACH OF ANY REPRESENTATION, WARRANTY, COVENANT OR OBLIGATION OF VENDOR HEREUNDER.

24. LAW AND FORUM

This Purchase Order shall be interpreted in accordance with the laws of the State of Texas. In the event of any dispute or controversy relating to or arising under this Purchase Order, including any challenges to the validity hereof, the parties hereto mutually consent to the exclusive jurisdiction of the courts in the State of Texas and of the federal courts within Texas. In the event any of the provisions of this Purchase Order or the application of any such provisions to the parties hereto with respect to their obligations, shall be held by a court of competent jurisdiction to be contrary to the laws of the State of Texas or federal law, the remaining provisions of this Purchase Order shall remain in force and effect.

Vendor shall comply with all applicable state, federal and local laws, rules and regulations. Vendor represents that it has complied with and will continue to comply during the performance of this Purchase Order with all export laws and regulations, directives and other applicable administrative actions issued thereunder, including but not limited to the International Traffic in Arms Regulations (22 C.F.R. Parts 121 - 130) and the Export Administration Regulations (22 C.F.R. 2751-2794), and any other standards issued pursuant thereto.

TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, MAN AND VENDOR HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY THAT MAN AND VENDOR MAY HAVE IN ANY ACTION OR PROCEEDING, IN LAW OR IN EQUITY, IN CONNECTION WITH THIS ASSIGNMENT. MAN AND VENDOR EACH REPRESENT AND WARRANT THAT NEITHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT IT WILL NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THIS RIGHT TO JURY TRIAL WAIVER. EACH PARTY ACKNOWLEDGES THAT THE OTHER PARTY HAS BEEN INDUCED TO ENTER INTO THIS ORDER BY, AMONG OTHER THINGS, THE PROVISIONS OF THIS WAIVER.

25. EXPEDITING

The work furnished under this Purchase Order, including all warranty work, shall be subject to expediting by MAN. MAN's representatives shall be afforded free access during working hours to Vendor's plants, and Vendor agrees to procure a similar right for MAN, for expediting purposes with respect to Vendor's subcontractors and sub-suppliers. If required by MAN, Vendor shall supply schedules, progress reports and unpriced copies of Vendor's purchase orders and subcontract for MAN's use in expediting. Vendor shall notify MAN in writing of any actual or anticipated delays immediately upon discovery. Such notice shall include an estimated period of delay, cause, and corrective actions being taken. Slippage in Vendor's schedule may be deemed to be reasonable grounds for cancellation for good cause in which event MAN may demand in writing that Vendor provide adequate assurances that Vendor will perform on time.

26. COPYRIGHTS

Vendor warrants that MAN and its customers may freely use, resell or otherwise deal with Deliverables without infringement of USA, Canadian or EU patents, copyrights, trademarks, industrial designs, trade secrets or other intellectual property rights, foreign or domestic, owned or controlled by any other corporation, firm or person, and held by Vendor or any third party.

27. INSURANCE

Upon request, Vendor shall provide MAN with a certificate evidencing such insurance coverage, which shall state that thirty (30) days' notice of cancellation or modification of the insurance coverage shall be given to MAN.

28. FORCE MAJEURE

Neither party hereto shall be liable to perform any obligation hereunder in the event and to the extent that such failure is caused by a condition of force majeure.

A condition of force majeure shall arise from any circumstances beyond the reasonable control of the affected party including MAN's customer(s) and Vendor's sub-contractor(s), which prevents or impedes the execution of the Purchase Order, limited to the following:

- a. War, hostilities, or military mobilization.

- b. Riot, insurrection, seizure by non-governmental groups, or civil disturbance.
- c. Earthquake, flood, fire or other natural physical disaster.
- d. Embargo, prohibition on import and exportation of materials or equipment or services.
- e. Act of terrorism.
- f. Epidemics.

The mere shortage of labour, materials or utilities, including the failure of any sub-supplier to deliver, shall not constitute force majeure unless caused by circumstances which are themselves force majeure events.

The party claiming force majeure shall immediately give notice in writing to the other party of the occurrence of any force majeure event which causes or is likely to cause any failure to perform any obligation hereunder. Such notice shall include the nature of the event, the expected duration and any anticipated impact on performance of the Order. Within five (5) working days after the cessation of the force majeure event, the affected party shall give a further notice specifying the final impact on the performance of the Order and a plan for recovery, including any cost impacts for such recovery plan. Failure to give either of the above notices may cause denial of any relief for the force majeure event, at the affected party's discretion.

Should Vendor be unable, due to such a cause, to meet all of its delivery commitments for Deliverables ordered herein, Vendor shall not give preference to any other customer in making deliveries of such Deliverables.

In the event of a force majeure event or events causing a delay or foreseeable delay in excess of thirty (30) cumulative days in performance of the Order, MAN reserves the right to terminate the Order as provided under Clause 12: Termination for Default hereof.

31. HEALTH, SAFETY, AND ENVIRONMENT

Vendor is responsible for safety during the execution of the work and prevention of damage/loss to any persons and property.

Vendor shall comply with all health, fire and other safety regulations and shall adhere to all (legal) regulations applicable on the site.

Vendor shall inform MAN of any special dangers which the execution of the work may entail, before commencement of work.

During the execution of the works, Vendor shall devote maximum care to the environment in general, apply as little as possible materials that may weigh upon the environment, safely store such materials at the site during construction and promptly remove all superfluous materials in a responsible manner.

At any time, Vendor shall comply with all applicable local, state, and international regulations for the health, safety, and environment.

MAN shall be entitled to charge to Vendor any extra costs that may result from Vendor's failure to observe this obligation.

32. SEVERANCE / VALIDITY OF PROVISIONS

If any provision of this Purchase Order, even after its termination, cancellation, completion, or expiration is held to be invalid, void or otherwise unenforceable, the remaining portions of that provision and all other provisions shall nevertheless continue in full force and effect and the parties shall thereafter come to mutual agreement regarding replacement of such unenforceable provision.

33. LIMITATION OF LIABILITY

In no event shall either Party or any of its affiliates be liable for loss of other Party's profits, loss of goodwill, loss of expected savings or expected profits, business interruption, lost business, lost profits or indirect, special, consequential, incidental, punitive or exemplary losses, damages or expenses incurred or suffered arising out of these terms or the Purchase Order.

For any claim related to these Terms or the Purchase Order, Vendor shall be entitled to recover actual and direct damages only from MAN. The limit of the MAN's liability to the Vendor in any manner related to these Terms or the Purchase Order, for any and all claims, shall not in the aggregate exceed the value of the Purchase Order issued in relation to these Terms.

The limitations, exclusions and disclaimers set out in this paragraph shall apply irrespective of the nature of the cause of action, demand or claim, including but not limited to, breach of contract, tort (including negligence) or any other legal theory and shall survive termination of these Terms, a fundamental breach or breaches and/or failure of the essential purpose of these Terms or any remedy contained herein. The allocations of liability in this paragraph represent the agreed and bargained for understanding of the parties.

The limitation of liability set forth in this Clause shall prevail over any conflicting or inconsistent provisions contained in any documents in any documents comprising the Order. In case of a contradiction to compulsory law, this limitation of liability does apply to the maximum extent permitted by the applicable compulsory law.

34. INDEPENDENT CONTRACTOR

Vendor is an independent contractor and not an agent or employee of, or partner or joint venture with, MAN. Vendor bears all of the rights, obligations, and liabilities applicable to it as an independent contractor and employer of its personnel in accordance with all laws, including exclusive liability for payroll taxes, workers' compensation, and contributions for unemployment insurance, old age pensions, or annuities. If MAN pays any of said taxes or contributions, Vendor shall promptly reimburse MAN for same. Subject to the requirements set forth in this Agreement, the provision and performance of all Deliverables shall be under the exclusive control and direction of Vendor.
