MAN PrimeServ Academy

Fort Lauderdale, North America

Welcome to MAN PrimeServ Academy Fort Lauderdale. We are proud to be part of the growing network of our regional training centers worldwide. Our strategic location, offers convenience to our customers in the United States, Central and South America and the Caribbean, serving as an ideal facility to physically participate in top training programs.

MAN Primeserv Academy Fort Lauderdale offers a wide spectrum of engine and turbocharger courses, with the most popular types of radial and axial turbochargers as well as the installed 32/44CR engine the range of hands-on training is extended.

Together with the latest technology of multimedia equipment, our Academy is prepared to cover customer requests. Whether a general course with the duration up to two weeks, a special tailored program or an on-site training without fixed terms; experienced instructors, comprehensive equipment and a sunny environment provide good conditions to expand and deepen the technical know-how.

Target Groups

At PrimeServ Academy Fort Lauderdale, both customer personnel and our own staff receive up-to-date training and know-how that only an OEM can provide. Our trainings are designed for crews, engineers, fitters, operators, supervisors, superintendents and managers and take the form of practical engine training combined with theoretical classroom-based work. The Academy is dedicated to the task of meeting the training requirements of our customers and reflects the quality standards of MAN PrimeServ

Training Benefits

The PrimeServ Academy located in Fort Lauderdale is equipped with a real 32/44 CR engine, all major types of radial and axial turbochargers as well as fully working SaCoSone simulators for hands-on training. These tools will familiarize you with operating and maintaining machinery in real situations.

The trainings are carried out by experienced and qualified instructors. The classrooms are equipped with state-of-the-art presentation equipment. This makes PrimeServ Academy Fort Lauderdale the ideal place for efficient learning.

Special Services

Once you have registered for your course, the PrimeServ Academy Fort Lauderdale will provide you with all necessary details and will be happy to assist you with hotel accommodation, shuttle transport and taxi service. Your personal safety equipment will be provided by the PrimeServ Academy during the training period. Every successful participant receives a certificate of completion and up-to-date course material.
